Dear Mr. Hirsig:

In accordance with Section 155 of the California Revenue and Taxation Code, I hereby respectfully request an extension of the 2006/2007 Assessment Roll.

Our secured roll looks good, but we have some problems with the unsecured roll. We also detected problems with factoring and overrides to the system that might jeopardize the quality of the rolls.

Your consideration of this petition would be greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads "David S. Peets".

Re: Request for Extension, Local Assessment Roll

Dear Mr. Hirsig:

Please accept this letter as my request for an extension to July 31, 2006 to deliver the Amador County Assessment Roll pursuant to Section 155 of the Revenue and Taxation Code.

Several appraisal staffing issues including the training of our new Cadastral Mapping Tech have caused some workload backlog. Additionally, we are scheduled to move our office to the new County Administration Center on June 25, 2006, which has caused substantial additional work and we are expecting further interruption. All of this together is causing a delay in the roll turnover process.

I appreciate your consideration in this matter.

Very truly yours,

James B. Rooney

Dear Mr. Hirsig:

Pursuant to Section 155 of the Revenue and Taxation Code, we are hereby requesting a 30-day extension of time for delivery of the 2006 roll.

Reasons:

- 1) We could not hire a candidate for our long vacant appraiser position until May of 2006. The candidate is not much help with tasks as of yet.
- 2) Our appraiser III was out on disability for 6 months.

Sincerely,

Thomas W. Lanshaw
